The RUGA theme of this year is "Hearth and Home"

Come learn and experience those practices that were staples in the Middle Ages at the home front. These events are centered around fun and learning, and classes are casual and interactive. If you are interested in teaching a class for the Royal University of Gleann Abhann please contact Baronessa Brianna Baptista --

The First Gleann Abhann Kingdom A&S Champion will be decided.

- Must submit a minimum of three entries.
- All of the entrants' scores will be added together and divided by the number of their entries to get their overall average score.
- Highest overall score will be declared Champion of the Arts.
- In case of a tie, the Crown or the KMoAS with consultation of the Laurels can make the final decision.
- An entry in SCA Life will not be considered as one of the entries for Champion of the Arts.

A King Renee Tournament will be held in High Tournament fashion.

The tournament will consist of multiple all-on-all contests, until such time as one contestant has been victorious three times. Please provide Patents of Arms prior to the tournament on Saturday Morning. These consist of your SCA heritage, awards and honours written and spoken by your herald. If you are new at this, please feel free to make up your persona history. Please do not portray SCA titles or awards that have not been bestowed.
